TASC is thrilled to announce our new partnership with Twin Pine Mortgages which launched in June. Twin Pine Mortgages is a West Midlands-based company with over 40 years' experience in mortgage and protection advice.

To support our cause, Twin Pine Mortgages have made TASC their Charity of the Year. As part of this partnership, they are waiving their mortgage fees for emergency workers (saving up to £450) and they will also donate 15% of their income from every emergency worker mortgage to TASC!

Charity football match and family fun day

Get ready for August 1st when the East of England Ambulance Service and England Fans FC will play against each other in an ultimate charity football match organised by Paramedic Rob Russell.

Taking place at the Pitstone & Ivinghoe Football Club at 12 noon, this event is the perfect day out for the entire family. While the main attraction is the charity football match, this event will also feature food and drinks, a raffle, an auction, jumbo Jenga and vintage ambulances on display.

As a special treat, Rob has managed to get several big football names involved, including Paul Hughes, ex-Chelsea and Luton Town player, who will be acting as special guest manager on the day!

Bring your friends and family – you won't want to miss it! Learn more at: www.theasc.org.uk/news

Fundraiser of the month

On July 25th, Dan Hiscock is undertaking an 89-mile bike ride in memory of his friend and fellow paramedic, Christopher Ealden.

Christopher sadly took his own life on 25th July 2020. In his memory, Dan will cycle to all north Hampshire ambulance stations in one day to raise vital funds for TASC.

Starting from Andover Ambulance Station, Dan will ride to Whitchurch, Basingstoke, Alton, Eastleigh and Winchester stations, including Otterborne Headquarters, before returning to Andover.

Dan will upload a link to his JustGiving page on the day so that his supporters can follow along on his ride.

We are very touched by Dan's amazing efforts. If you would like to sponsor Dan and follow his journey on July 25th, please visit www.justgiving.com/daniel-hiscocktasc

“TASC saved my life and my career, and more people need to know that TASC is there to help.”

Fundraising highlights

Lucy's 100km Race to the Stones

Lucy and her dog Ollie are doing a 100km race along the Ridgeway, finishing at the Avebury Stone Circle, to raise vital funds for TASC and for Search Dogs Sussex.

She has chosen these two charities as she volunteers with both, and because she, and many others that she works with, have previously turned to TASC for support.

We are very impressed that Lucy has embarked upon this journey and that she has already raised over £1000 for TASC! To support Lucy and Ollie, visit: www.justgiving.com/Lucy-Brownrigg2

Gemma and Gemma's 20km Swim Run

Gemma Harris and Gemma Nesbitt have joined together to complete a 20km swim run race in July 2021. Harris is raising funds for TASC, while Nesbitt is raising funds for the UK Sepsis Charity.

Gemma Harris is also doing her first ½ Ironman Triathlon, which includes a 1.2 mile swim, 56 mile bike and a 13.1 mile run, all in the span of about 6 hours.

The ladies have taken on quite the challenge and have already smashed their £500 fundraising target. We are very inspired by their dedication and stamina! To support them, please visit: www.justgiving.com/Parfittharris
